

diy project

The Cube Coffee Tables

Supplies :

*mdf boards,
quick drying filler,
sand paper,
paint roller, paint,
filling plastic knife,
nails, hammer*

STEP 1
Have all the MDF boards cut at the hardware store.

STEP 2
Put your boards together.

STEP 3
Nail it to create your cubes.

STEP 4
Apply some filler to make the joints disappear.

STEP 5
Sand down once the filler
is dry.

STEP 6
Apply two layers of paint (use
colors that match with your decor).
